WHITE BLUFF EXPANDS MARINA

WHITNEY, TX (June 12, 2009) – In May, White Bluff Resort on Lake Whitney completed an project that increased the depth of the marina five feet, as well as increasing the capacity to almost 200 slips. With the increased depth inside the cove and at the entrance to the marina, White Bluff continues to be the premier location for storing and launching watercraft. In addition to the expansion, the boat ramp was widened to easily accommodate launching and recovering two watercrafts simultaneously.

The project is now complete and the initial plan is to provide up to 31 new slips by mid-summer.

If you are interested in leasing a slip at the newly expanded and renovated marina, please call Rose Palacios at (214) 706-7801 or E-mail her at rpalacios@ddresorts.com.
